Nothing escapes it

HUSKY 

 **flex**

Central vacuum systems
huskyvac.com

A compact, quiet and powerful central vacuum system.

- Compact and easy to install, ideal for apartments and medium size houses
- LED status instructions integrated on power unit
- 21.1l brushed aluminum canister and ergonomic handles with integrated latches for ease of operation
 - High-end design and finish

A compact model of superior quality

- Machine washable, highly efficient filter for ease of maintenance
- Hybrid: may be used with or without a filtration bag. *When used with a filtration bag, it employs double filtration for unparalleled air quality and prevents contact with dust and allergens*
- Extremely low noise level
- Soft-start and soft-stop system for improved functionality and longer motor life
- Powerful motor (*up to 5 times stronger than a portable vacuum*)

Model number	FLX-260I-EU-EH
Electrical requirement	220-240V, 1690W, 7.0A
Maximum Air Watts	580
Maximum depression (H₂O)	3472mm (34kPa) (136.7")
Maximum air flow	59.5l/sec (126.1PCM)
